OLSD Vision

Oak Lodge Sanitary District's vision is to be the recognized leader in the provision of surface water management and sanitary sewer services in the North Clackamas area. Through the promotion of social responsibility and environmental stewardship the District, in partnership with the community, will continue to improve upon the preservation and enhancement of our environment.

OLSD Mission

Oak Lodge Sanitary District is an organization dedicated to providing efficient, effective and responsive service that tangibly benefits our environment and customers through coordinated efforts of the Board of Directors, employees and community.

MPCAC Vision

The Master Plan Community Advisory Committee's vision is to recommend a wastewater treatment system master plan that reliably protects human health and the environment; anticipates regulatory changes; enhances community livability, education, and understanding; delivers maximum benefit for the ratepayers' investment; and adheres to the overall vision and mission of the District.
